A screenshot of a Windows Notepad application window. The title bar at the top reads "Dr. Mark G. Simkin Code Memorial". The window has standard minimize, maximize, and close buttons on the right side of the title bar. The main editing area contains ten identical lines of text, all in blue font. Each line reads: "Rest in peace Dr. Simkin! Thank you for being awesome! You will forever live in our hearts!!!". A vertical scrollbar is visible on the right edge of the text area, indicating that there are more lines of text than can currently be seen.
